

Limited Review Report on Unaudited Quarterly Results

To the Board of Directors of Schneider Electric Infrastructure Limited

1. We have reviewed the accompanying statement of unaudited financial results of Schneider Electric Infrastructure Limited ("the Company") for the quarter ended June 30, 2021 ("the Statement"), being submitted by the Company pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India ("the SEBI") (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. This Statement which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 'Interim Financial Reporting' ('Ind AS 34'), prescribed under Section 133 of the Companies Act, 2013 ("the Act") read with relevant Rules issued thereunder; and other accounting principles generally accepted in India. Our responsibility is to issue a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 'Review of Interim Financial Information Performed by the Independent Auditor of the Entity', issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of Company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Ind AS and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Material Uncertainty Related to Going Concern

We draw attention to Note 6 of the Statement, which indicate that the Company has incurred loss during the current quarter with accumulated losses which has resulted in its net worth being fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

6. Emphasis of Matter

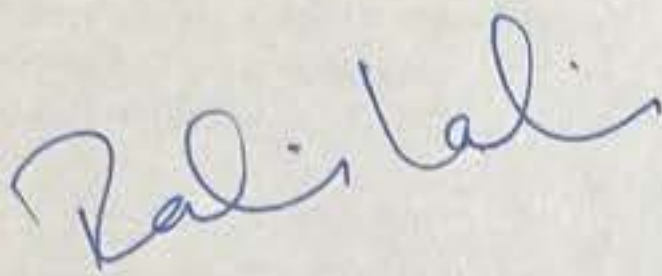

We draw attention to Note 5 of the Statement, which describes the management's assessment of the impact of uncertainties related to Covid-19 pandemic on the Company's Operations. Our conclusion is not modified in respect of this matter.

7. The comparative financial information of the Company for the corresponding quarter June 30, 2020, were reviewed by the predecessor auditor who expressed an unmodified opinion on those financial information and financial statements on August 12, 2020.

Our opinion is not modified in respect of this matter.

Notes :

- The above Financial Results were reviewed by the Audit Committee and approved by the Board of Directors at their meeting held on August 12, 2021.
- These financial results of the Company have been prepared in accordance with the Indian Accounting Standards (IND AS) as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act 2013 read with rule 3 of the Companies (Indian Accounting Standard) rules, 2015, Companies (Indian Accounting Standards) amendment rules 2016 and in terms of regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, SEBI Circular No. CIR/CFD/CDM1/44/2019 dated March 29, 2019 and other accounting principles generally accepted in India.
- The Chief Operating Decision Maker "CODM" reviews the operations of the Company as a whole, i.e. single primary business segment viz. product and systems for electricity distribution, hence, there are no reportable segments as per Ind AS 108 "Operating Segments".
- Exceptional items represent expenses incurred towards organizational restructuring for improving efficiency in line with change in product lines and related employees settlement cost.
- The Company has made an assessment of the impact of the continuing Covid-19 pandemic. Basis the current quarter results and best estimates of revenue, expenses and current assets, as on the date of reporting, the Company does not anticipate any material impact on the recoverability of the carrying value of its assets. The management has also estimated future cash flows for the Company and believes that there is no impact on its ability to continue as going concern and meeting its liabilities as and when they fall due. However, considering the unpredictability of the pandemic and inherent uncertainty on the potential future impact of the Covid-19 pandemic, the Company's financial statements may differ from that estimated as on the date of approval of these financial results.
- During the quarter, the Company has incurred a loss of MINR 152.94 with total accumulated losses aggregating to MINR 3,718.62 as at June 30, 2021 and its net worth fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, the management has evaluated availability of sufficient funding to meet Company's obligations and for such evaluation, the management has considered various factors which include estimated future cash flows, availability of working capital facilities sanctioned by the banks and borrowings sourced from group companies. Basis such evaluation, the management is confident that the Company will be able to realise its assets and discharge its liabilities in the normal course of business. Therefore, these financial results have been prepared based on going concern assumption.
- The figures of the quarter ended March 31, 2021 are the balancing figures between audited figures in respect of the full financial year up to March 31, 2021 and the unaudited published year-to-date figures up to December 31, 2020, being the date of the end of the third quarter of the financial year which were subjected to limited review.
- The Indian Parliament has approved the Code of Social Security, 2020, which would impact the contributions by the Company towards Provident Fund and Gratuity. The effective date from which the changes are applicable is yet to be notified and the final rules are yet to be framed. The Company will carry out an evaluation of the impact and record the same in financial results in the period in which the Code becomes effective and the related rules are published.
- Prior period figures have been reclassified/regrouped wherever necessary, to correspond with those of the current period classification.
